- The Extension Proposal – to consider and vote upon a proposal by the following special resolution to amend the Company’s amended and restated memorandum and articles of association (the “**Existing Charter**”) to allow the board of directors of the Company (the “**Board**”), without another shareholder vote, to elect to extend the date by which, if the Company has not consummated a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination involving the Company, with one or more businesses or entities (a “**Business Combination**”), the Company must (a) cease all operations except for the purpose of winding up; (b) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Class A ordinary shares sold in the Company’s initial public offering (the “**Public Shares**”); and (c) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining shareholders and the directors, liquidate and dissolve, subject in each case to its obligations under Cayman Islands law to provide for claims of creditors and in all cases subject to the other requirements of applicable law, from August 2, 2024 (the “**Original Termination Date**”) to up to 4 times by an additional 3 months each time after the Original Termination Date, by resolution of the Board, until August 2, 2025 (each, an “**Additional Charter Extension Date**”) or a total of up to 12 months after the Original Termination Date, unless the closing of a Business Combination shall have occurred prior thereto (the “**Extension**”, such extension deadline, the “**Extended Date**”, and such proposal, the “**Extension Proposal**”).
- The Adjournment Proposal — to consider and vote upon a proposal (the “**Adjournment Proposal**”) by the following ordinary resolution to approve the adjournment of the Extraordinary General Meeting by the chair thereof to a later date, if necessary, under certain circumstances, to solicit additional proxies for the purpose of approving the Extension Proposal, to amend the Extension Proposal, or to allow reasonable additional time for the filing or mailing of any supplemental or amended disclosure that the Company has determined in good faith after consultation with outside legal counsel is required under applicable law and for such supplemental or amended disclosure to be disseminated and reviewed by the Company’s shareholders prior to the Extraordinary General Meeting; provided that the Extraordinary General Meeting is reconvened as promptly as practical thereafter. The Adjournment Proposal will only be presented at the Extraordinary General Meeting if there are not sufficient votes to approve the Extension Proposal.

For more information on these proposals, please refer to the Company’s proxy statement dated July 15, 2024 (as amended or supplemented, the “**Proxy Statement**”). **BlueRiver Acquisition Corp. (ROC # 367278)** (the “Company”)

**TAKE NOTICE** that by Minutes of an Extraordinary General Meeting of the Company dated 2 August 2024, the following special resolution was passed:

**4.1 Proposal 1 - Extension Amendment**

RESOLVED, as a special resolution, that the Amended and Restated Memorandum and Articles of Association of the Company be amended by the deletion of the existing Articles 49.7 and 49.8 in their entirety and the insertion of the following language in their place:

49.7 In the event that the Company does not consummate a Business Combination within 54 months from the consummation of the IPO (the “**Termination Date**”) or such later time as the Members may approve in accordance with the Articles, the Company shall:

(a) cease all operations except for the purpose of winding up;

(b) as promptly as reasonably possible but not more than ten business days thereafter, redeem the Public Shares, at a per-Share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company (less taxes payable and up to US \$100,000 of interest to pay dissolution expenses), divided by the number of then Public Shares in issue, which redemption will completely extinguish public Members’ rights as Members (including the right to receive further liquidation distributions, if any); and

(c) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining Members and the Directors, liquidate and dissolve, subject in each case to its obligations under Cayman Islands law to provide for claims of creditors and other requirements of Applicable Law.

Notwithstanding the foregoing, in the event that the Company has not consummated a Business Combination within 42 months from the closing of the IPO, the Company may, without another shareholder vote, elect to extend the date to consummate the Business Combination for up to 4 times by an additional 3 months each time after the 42nd month from the closing of the IPO, by resolution of the Directors until 54 months from the closing of the IPO.

49.8 In the event that any amendment is made to the Articles:

(a) to modify the substance or timing of the Company’s obligation to allow redemption in connection with a Business Combination or redeem 100 per cent of the Public Shares if the Company does not consummate a Business Combination within 54 months from the consummation of the IPO or such later time as the Members may approve in accordance with the Articles; or

(b) with respect to any other provision relating to Members’ rights or pre-Business Combination activity, each holder of Public Shares who is not the Sponsor, a Founder, Officer or Director shall be provided with the opportunity to redeem their Public Shares upon the approval or effectiveness of any such amendment at a per-Share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its taxes, divided by the number of then outstanding Public Shares. The Company’s ability to provide such redemption in this Article is subject to the Redemption Limitation.
